

Connecting and Interacting with Andrew J. Katz' Artwork

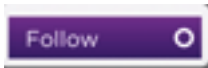

Follow the directions below to interact with the art that is labeled 'HP Reveal' on your device.

Download the HP Reveal app to your device. It's free to download, and free to subscribe to a 'channel'.

Search Katz Art Hip Hop Art Portfolio II and ajkatzart public auras

Follow Katz Art Hip Hop Art Portfolio II and ajkatzart public auras

Congratulations! You are now able to scan/view all content related to the Katz Art visual art exhibition.

Blind Whino - Microphone Check

Find an image or piece of art that displays the 'HP Reveal Interactive' label. **Open** the HP Reveal scanning window and select an image by looking through your device. The content will launch when the device recognizes the image.

Once it launches, you can **Double-Click** the screen for a full screen view.
